Re: John Earl Campbell v. Amtrak, et al.
U.S. District Court, No. District of California
Case No. C05-05434 MJJ

Dear Magistrate Judge Laporte:

Last week, the parties appeared before you on Plaintiff's motion to compel. As you instructed, we prepared the proposed order and exchanged it with Ms. Pamela Price, counsel for Plaintiff.

We recall that your honor limited the scope of Plaintiff's Document Request No. 3 to race discrimination complaints made within the past seven (7) years by African-American employees who worked in those same Bay Area locations as Plaintiff. Ms. Price recalls that your honor ruled Request No. 3 encompasses the entire Pacific Division (which includes San Jose, Sacramento, and numerous other locations through the Pacific Northwest, extending as far South as San Luis Obispo, as far West as Grand Junction, Colorado and as far Northeast as Minot, North Dakota) -- locations at which Plaintiff testified he never worked and never wanted to work.

Because even the best memories are fallible, we enclose an order with a blank for the geographic limitation, for your honor to fill in, as your honor ordered at the hearing on April 17th. We apologize in advance if our recollection was mistaken.

Magistrate Laporte
